

MON VALLEY
CAREER & TECHNOLOGY CENTER

Culinary Arts

The Culinary Arts career pathway is a 3-year program that offers hands-on application, state-of-the-art technologies, and individualized curriculum.

Curriculum Highlights:

The Culinary Arts program is an exciting program that will provide students with the introductory training in key phases of the Food Service Industry. The curriculum will consist of food service theory, hands-on training, along with safety and sanitation. The overall program will give the students exposure and training in four major areas of dining room service. We will also have a lot of fun together!!

Gain real-life experience working on:

- Dining Room Service and Operation
- Cold Food Production
- Hot Food Preparation
- Pastry Arts

Software & Equipment Used:

- Point of Sale Register System

Second & Third Years

- Project based work
- Industry Certification training
- Student Restaurant Creation
- Live work experience
- Co-op opportunities

Career Focus:

Students will be prepared to be work ready for entry level positions in Restaurants, Cafeteria, or Institutional Facilities.

Students will be prepared to further their education with a strong base of knowledge and work ready skills.
